AIRPARK OPERATING RULES

San Geronimo Airpark is a privately-owned airport community. It is important for all to maintain its integrity by helping to monitor these rules.

1. Aircraft operating into and out of San Geronimo Airpark shall operate in accordance with Advisory Circular 90-66C (Non-Towered Airport Flight Operations) and all applicable FAR's.
2. Radio equipped aircraft shall broadcast their intentions on the CTAF of 122.9 MHz.
3. No night landings.
4. "Touch & Go" limit is 2.
5. No high-speed low-altitude passes.
6. For glider operations situational awareness, all aircraft will make a courtesy radio call, upon reaching ten (10) nautical miles ("NM") from the airfield. If gliders have not initiated takeoff procedures, gliders will expeditiously remove the glider from the runway to allow arriving aircraft to land, without a glider, personnel, or vehicles obstructing the runway.
7. Powered parachutes prohibited.
8. Only aircraft are permitted on the runway without prior San Geronimo Airpark POA Board approval.
9. Taxiways are not roads and must not be used as such. Roads are not to be used as taxiways.
10. Owners of vehicles causing rut damage will be responsible for the cost of repairs.
11. The 30-foot setback on each lot facing the runway, and the area in front of each hangar facing a taxiway, must remain clear of all unattended vehicles and obstacles. These clear zones are for safe aircraft movement. The grass area between the runway and the 30-foot setback area is to be used exclusively as a taxiway.
12. Children shall not be left unattended.
13. Pets on San Geronimo Airpark shall be on a leash or in a fenced area.
14. Parking fees for transient aircraft are complimentary for two (2) weeks. Starting day 15, each parked plane will be charged \$50 per day. Extended complimentary stay may be possible, but only with prior written permission from the current board of directors. Pilots must supply their own tie-down equipment. The designated aircraft tie down area is North of all buildings.
15. No business operation may be conducted at San Geronimo Airpark without the advanced written approval of the San Geronimo Airpark Property Owners Association Board of Directors.
16. Property owners shall provide their tenants with the Airpark's Conditions & Restrictions and these Operating Rules and will be held responsible for their tenant's actions.
17. Dumpsters are provided for normal household trash generated on the Airpark. Observe and obey the signs around the dumpsters for acceptable landfill materials.
18. The Association, acting through the Board of Directors, may impose a fine of up to \$100 per day per violation, which shall be and is hereby secured by a lien on the lot of the violator.

**The San Geronimo Airpark Property Owners Association Board of Directors
may modify these Operating Rules as conditions warrant.**

Adopted January 20, 2024, effective immediately.
